# Foreword

We're excited to share our 2024 training schedule with you! Our courses are designed to help you grow personally and professionally.

Over the years, we've helped leaders on the African continent tackle tough challenges, improve business practices, and boost the global economy.

Our calendar shows all the leadership, finance, strategy, innovation, and specialized courses we offer. It's an excellent resource for locating the best program for you.

# Who we are

PiB Knowledge is a leading management consulting firm in Africa that focuses on Programme Management, Financial services including banking, payment, ISO 20022, SWIFT, regulatory compliance, and dedicated energy to corporate learning services.

## About Executive Education

PiB Knowledge - Executive Education is dedicated to enhancing institutional capacity across the African subregion and its member countries. We provide a range of tailored and open enrollment executive education programs for Board of Directors and senior to middle-level officials. Our aim is to refine leadership skills and expand knowledge in the latest trends across finance, technology, and business strategy development and planning.

These programs stand out through their concise, intensive courses, modern curriculum, and innovative teaching methods that combine practical insights with academic learning. Engaging group discussions, hands-on exercises, and real-life case studies relevant to the African context are integral to these offerings. Our faculty comprises diverse local and international experts with extensive backgrounds in areas including audit, risk, compliance, governance, leadership, management, planning, strategy, finance, technology, and innovation.

Guided by a blend of scientific principles and a deep understanding of the African landscape, PiB Knowledge faculty designs and implements training programs. These programs are rooted in the practicalities of the region, equipping future leaders to tackle challenges both within and beyond the continent. Furthermore, we facilitate international and regional conferences, specialized workshops, and forums that foster the exchange of ideas, thoughts, and knowledge between Africa and the global community.

# Executive Education

Get ready to tackle today's challenges and achieve tomorrow's aspirations with the exceptional credentials and practical insights that only PiB Knowledge Executive Education can provide.
